SUMMARY OF THE REASONS FOR DECISION:

The DVD *Bamboozled* is classified as:

Objectionable except if the availability of the publication is restricted to persons who have attained the age of 16 years.

The DVD *Bamboozled* contains a feature previously examined and classified as a VHS/PAL video recording by the Office of Film and Literature Classification. The video recording of the feature *Bamboozled* was classified as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 16 years", with the descriptive note "Contains violence and offensive language". This decision was dated 15 October 2001.

The DVD version of *Bamboozled* contains additional material comprising three notices, a documentary on the making of *Bamboozled*, 19 deleted scenes from the feature, an animated art gallery, two music videos, a trailer for the feature *Bamboozled*, an audio commentary by Spike Lee and information about cast and crew. There is nothing in the DVD version that requires an alteration to be made to the classification given to the video-recording version of the publication. Therefore the previous classification of *Bamboozled* as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 16 years" is appropriate, with the same descriptive note.
